

Consultant Psychiatrists Peri-Natal Mental Health

Counties Manukau DHB is a leader in Mental Health Services development, with a strong commitment to providing services of clinical excellence that are tailored to the unique needs of our local community. As part of our ongoing programme of service development and enhancement CMDHB is developing a Peri-Natal Mental Health Service which will consist of our existing Maternal Mental Health Service and a new Infant Mental Health Service.

We are seeking full-time or part-time consultant psychiatrists with clinical expertise and passion in the area of peri-natal mental health to work in these services.

Maternal Mental Health Psychiatrist

Maternal Mental Health services are provided from within each of our Community Mental Health Centres with dedicated clinicians making up part of the CMHC clinical team. As the psychiatrist you would be directly involved with treatment, planning, review, service development and evaluation, training and supervision activities related to the caseload across all of the CMHCs.

We are looking for an experienced Consultant Psychiatrist with either specialist Maternal Mental Health expertise or a transferable background. It is expected that the Maternal Mental Health Psychiatrist will work in partnership with the Infant Mental Health Psychiatrist to lead the development of Peri-Natal Mental Health Services in Counties Manukau.

Infant Mental Health Psychiatrist

CMDHB is in the process of establishing a dedicated Infant Mental Health Service. This will be one of the first services of its kind in the country and provides an exciting opportunity for you to be actively involved in the design and development of this leading edge initiative.

The intention is to develop a team of up to 6 clinicians who will work closely with existing child health, mental health and addictions services to provide specialist assessment and treatment services for families/whaanau with the most complex difficulties that affect infants' mental health.

We are looking for an experienced Child and Adolescent Psychiatrist with experience and expertise in the area of Infant Mental Health or with transferable background to fill this role.

At CMDHB, our Candidate Care Consultants offer a streamlined and personalised relocation experience, including assistance with immigration, registration, accommodation and transport on arrival.

To ascertain eligibility for registration with the Medical Council of New Zealand, please go to www.mcnz.org.nz
