

# World Class Pathology Laboratory & Lifestyle

## Auckland, New Zealand

This is a 'once in a career' opportunity to make your mark on a large laboratory and help shape the culture and environment from the ground up. Based in Auckland, Labtests is seeking Pathologists to continue their career in a state of the art, purpose built laboratory, whilst enjoying the unique lifestyle that New Zealand has to offer.

Labtests is committed to excellence in the provision of community pathology services and laboratory testing. Our pathologists will be integral in establishing a culture focused on service for the Auckland community.

As Healthscope's newest laboratory in New Zealand, Labtests joins a well established network of laboratories throughout Asia Pacific and will provide pathology services to the Auckland region. Labtests has positions for Pathologists in the following disciplines:

- Anatomic Pathology
- Haematology

To work with us you will hold the Fellowship of the Royal College of Pathologists of Australasia, or a similar recognised postgraduate qualification, and be eligible for registration as a Specialist Pathologist by the Medical Council of New Zealand ([www.mcnz.org.nz](http://www.mcnz.org.nz)).

Labtests is offering a competitive remuneration package commensurate with skills and experience. Relocation to Auckland will be included where appropriate.
